

Our Company's Foundation

At Weka, we're one team across two connected businesses — Weka Landscaping and Weka Garden Shop. While our work takes different forms, we're united by shared values, strong relationships, and a deep connection to place. Whether we're designing and building outdoor spaces, or providing the plants and advice to bring them to life, we're proud to offer quality, care, and local know-how in everything we do.

At Weka Landscaping, we're not just shaping gardens — we're crafting lasting legacies in the land. Rooted in the rugged beauty of Central Otago and driven by a passion for precision and creativity, we transform outdoor spaces into places of pride, connection, and purpose.

Every stone laid and plant chosen is part of a bigger vision — one that honours nature, elevates everyday living, and turns outdoor dreams into enduring realities. Join us as we grow something extraordinary — one landscape at a time.

Our Company's Vision

To shape beautiful, purposeful outdoor spaces and empower people to grow with confidence — grounded in the unique landscapes and communities of Central Otago.

Our Mission Statement

To deliver high-quality landscaping and expert plant advice with creativity, care, and integrity — combining craftsmanship, local knowledge, and genuine service to help people make the most of their outdoor spaces.

Core Values of Our Organisation

Communication: Fostering clarity and connection through open, honest dialogue.

Leadership: Inspiring confidence through action, direction, and integrity.

Good Relationships: Building trust and teamwork through respect, kindness, and shared goals.

Encouragement, Achievement and Opportunity: Empowering growth by recognising success and creating space to thrive.

Honesty, Bravery and Authenticity: Speaking truth with courage and showing up as our real, respectful selves.

Meaningful Work: Creating landscapes with purpose, passion, and pride in every detail.
